

## **HALL of EXCELLENCE**

Our male recipient, this year, is Dan Thompson. He is with us today and swimming for the Aurora Master Ducks. Dan attributes his swimming career – where he was a member of Canada’s National team for seven years, a FINA World Record holder in the 50 & 100 metre Butterfly, and a Gold and Silver Medalist many times over at Pan Am and Commonwealth Games – for his current leadership roles in the sport sector, including as former President of Swimming Natation Canada and currently as CEO of Skate Canada.

Dan’s current World Records now number five in the 50 and 100 m butterfly
