

### **Overview**

Inductees into the *Hall of Excellence* have demonstrated consistent and outstanding results at the highest levels of competition in Masters Swimming. Although their records speak for themselves, MSC honours swimmers who:

- Have excelled in a minimum of three age groups
- Have solid performances at the National and International levels
- Are regular participants in competition
- Demonstrate good sportsmanship

The minimum age for beginning competition is 18 years, and achievement is limited to Masters participation only. Accomplishments that will be considered include:

- World records and rankings
- National records and rankings
- Provincial records and rankings
- World and National Championship participation
- Other factors, including points as listed on Christian Berger's swimmers' statistics site.

### **Nomination Process**

The nomination should outline how the candidate exemplifies these and any other relevant areas of excellence. Please supplement your nomination with examples and submit a photo of the nominee.

Nominations must be submitted by March 30, 2018.

### **Selection Process**

The MSC Awards Committee will review all nominations and select the person who best demonstrates the areas of excellence outlined above. Only the successful nominee, his/her Club, and the Nominator will be notified by April 15<sup>th</sup>. There shall be one recipient per year unless otherwise recommended by the Awards Committee and approved by the Board of Directors.

### **Presentation of Award**
