Lane 10 shall be reserved for slow swimmers or swimmers with a disability. The fastest swimmers are encouraged to use lanes 4 and 5 during general warm up. Swimmers are asked to warm-up in the pool designated for their gender that day.

Socializing is encouraged, however be careful not to block lanes being used for warm ups. Sprint lanes, in lanes 1 and 2, will be opened 25 minutes before the end of the warm-up session.

All swimmers are required to enter feet first into the pool and diving is strictly prohibited during general warm up. Safety Marshals will be vigilant regarding infractions during warm-ups, specifically diving, and will report those infractions to the Referee. The Referee has the authority to expel swimmers from the competition.

Pool space will be provided for cool-down up to 30 minutes following the end of the session.

Swimmers missing their heat are automatically scratched from that event.
MSC Warm-Up/Warm-down Procedures

Meet Management for all sanctioned Masters Swimming Canada competitions must ensure the following safety procedures are applied. It is incumbent on coaches, swimmers, and officials to comply with these procedures during all scheduled warm-up periods. Coaches are requested to encourage swimmers to cooperate with Safety Marshals.

- Swimmers must enter the water FEET FIRST in a cautious manner, entering from a start or turn end only and from a standing or sitting position.

- Meet Management may designate the use of sprint or pace lanes during the scheduled warm-up time. Any such lane usage must be communicated either in pre-competition handout, announcement or deck signage.
- Diving starts shall be permitted only in designated sprint lanes.
- Only one-way swimming from the start end of sprint lanes is permitted.

- There shall be a minimum of 45 minutes prior to the start of the meet for general warm-up. If there is no continuous warm-up facility or lane available during the meet there shall be a 15-minute warm-up period at least every 2 hours. There shall be a 30-minute warm-down period at the conclusion of the meet.
- Twenty minutes prior to the end of warm-up, one outside lane, and in pools of six lanes or more, the adjacent lane, on the fast side of the pool, as per above, shall be designated as sprint lanes. The starts shall be from the normal starting end of the pool with one-way swimming only. Upon completion of the length, the swimmer shall leave the lane.
- The competition pool will be available one hour prior to the start of the meet and during the lunch break each day. A separate warm-up pool will also be available throughout the meet.
- Lane 10 shall be reserved for slow swimmers or swimmers with a disability. The fastest swimmers are encouraged to use lanes 4 and 5 during general warm up. Swimmers are asked to warm-up in the pool designated for their gender that day.
